This is an awful thing to contemplate. Of these, the federation of the Empire was the first, and he would only contemplate Irish Home Rule as part of a Federal scheme. These are a couple of the questions you might ask when you contemplate reincarnation, especially for the first time. He was dreadfully seasick for five days. If you like having sore muscles at the end of a day or working a job that requires little of your mental capacity so you can contemplate Nietzsche, hey, more power to you. It is profoundly affecting to contemplate this man, a mere wreck from gout, shrinking from no fatigue, no labour, and no personal sacrifices; disregarding the obstacles and difficulties thrown in his way by cardinals and temporal princes, whose fatal infatuation refused to see the peril which hung above them all; recurring time after time, with all his intellect and energy, to the realization of his scheme; and finally adopting the high-hearted resolve of placing himself at the head of the crusade. All change is a miracle to contemplate; but it is a miracle which is taking place every instant. Never mind, I'll just contemplate my own idiocy... Whatever the desire, it is advisable for the retiree to contemplate what it is they want from retirement, and to choose new pursuits, or even old ones, sensibly and with maximum enjoyment. Along with other English scholars, who had ties of close association with German learning and German savants, he was extremely reluctant in the last days of July 1914 to contemplate the possibility of war with Germany; but the violation of Belgian neutrality and the outrages committed in Belgium by German troops brought him speedily into line with national feeling. A commander-in-chief is never dealing with the beginning of any event—the position from which we always contemplate it. And while foreign affairs were being admirably conducted by Lord Lansdowne, they were critical enough to make it dangerous to contemplate a "swapping of horses." It is, however, unquestionably true, that as a startling protest against measures "to silence, in Jefferson's words," by force and not by reason the complaints or criticisms, just or unjust, of our citizens against the conduct of our agents, they served, in this respect, a useful purpose; and as a counterblast against Hamiltonian principles of centralization they were probably, at that moment, very salutary; while even as pieces of constitutional interpretation it is to be remembered that they did not contemplate nullification by any single state, and, moreover, are not to be judged by constitutional principles established later by courts and war. About 1467 his only son, John, died, and increasing infirmity led him to contemplate abdication. It is something to contemplate if you are traveling some distance. It can be a tricky decision and it is not uncommon to sit there for a few minutes to contemplate which to upgrade. The figurative nature of the language respecting the future makes it difficult to determine precisely the thought of the book on this point; but it seems to contemplate continued existence hereafter for both righteous and wicked, and rewards and punishments allotted on the basis of moral character. A green park with benches surrounds most of the castle, giving visitors the chance to sit and contemplate the magnificence before them. Many teens that contemplate on dropping out of school look at the GED as something easy to fall back on and think it is just as good as a diploma.
